Copyright (C) [2022] ShinyWare Studio. All rights reserved.

IMPORTANT NOTICE: Before using the FlyClock shareware developed by ShinyWare Studio (hereinafter referred to as "ShinyWare"), please read the following terms carefully. Installing, copying, or otherwise using this software indicates that you agree to be bound by the terms of this license agreement. If you do not agree to the terms of this license agreement, do not install or use this software.

## 1. License Grant

This software is provided as shareware by ShinyWare. Unregistered users may use this software for free but will encounter registration prompt windows randomly. Once you complete the registration, the registration prompts will no longer appear. Each registration code is limited to one machine (machine replacement is not included, If the machine is replaced, deregister the registration code of the original machine).

## 2. Trial and Assumption of Risk

You are entitled to a full trial of this software before registration. Registering the software signifies your declaration that you have fully understood the way the software is used and its potential risks. Under no circumstances, once registered, signifies that you waive any right to pursue any form of liability or loss to ShinyWare, and there will be no refunds.

## 3. Distribution

You may freely distribute and use this software without modification. However, ShinyWare and its developers are not responsible for any problems you may encounter during its use.

## 4. Feedback and Improvement

To improve the performance and service of this software, ShinyWare may send feedback about the runtime behavior of FlyClock and general environmental

information during operation with your consent. ShinyWare commits that this information will be kept strictly confidential and will not be rented, sold, or distributed to any third parties.

## **5. Intellectual Property**

The software and all related materials, including but not limited to code, documentation, images, and logos, are the property of ShinyWare and are protected by applicable copyright laws and international copyright treaties.

## **6. Use Restrictions**

You may not reverse engineer, decompile, or attempt to discover the source code of the software. You must not remove or alter any copyright notices or other proprietary marks on the software.

## **7. Termination**

If you fail to comply with any term of this license agreement, your license will automatically terminate, and you must cease all use of the software and delete all copies.

## **8. Disclaimer of Warranty**

The software is provided "as is" without warranty of any kind, either expressed or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or non-infringement.

## **9. Limitation of Liability**

In no event shall ShinyWare or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, or loss of business information), even if ShinyWare has been advised of the possibility of such damages.

By installing, copying, or otherwise using the FlyClock software, you acknowledge that you have read this license agreement, understand its terms, and agree to be bound by them.
